This is a brief note to let you know that the material you sent arrived in good order and is proving very helpful. Since things tend to stretch out a bit, I did not want you to think that I had disappeared. Our conversations in-house concerning the project continue to move ahead favorably. We are working on our budget and program for next year. I should have more for you in the thirty days ahead. Please let me again say how much I enjoyed our meeting. I look forward to many more.

With all good wishes,

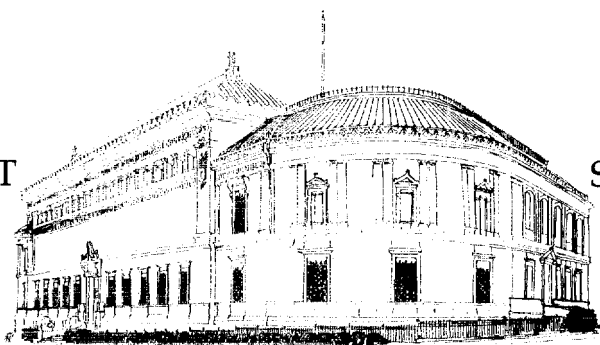

Sincerely yours,
